

VBORNET

"European Network for Arthropod Vector
Surveillance for Human Public Health"

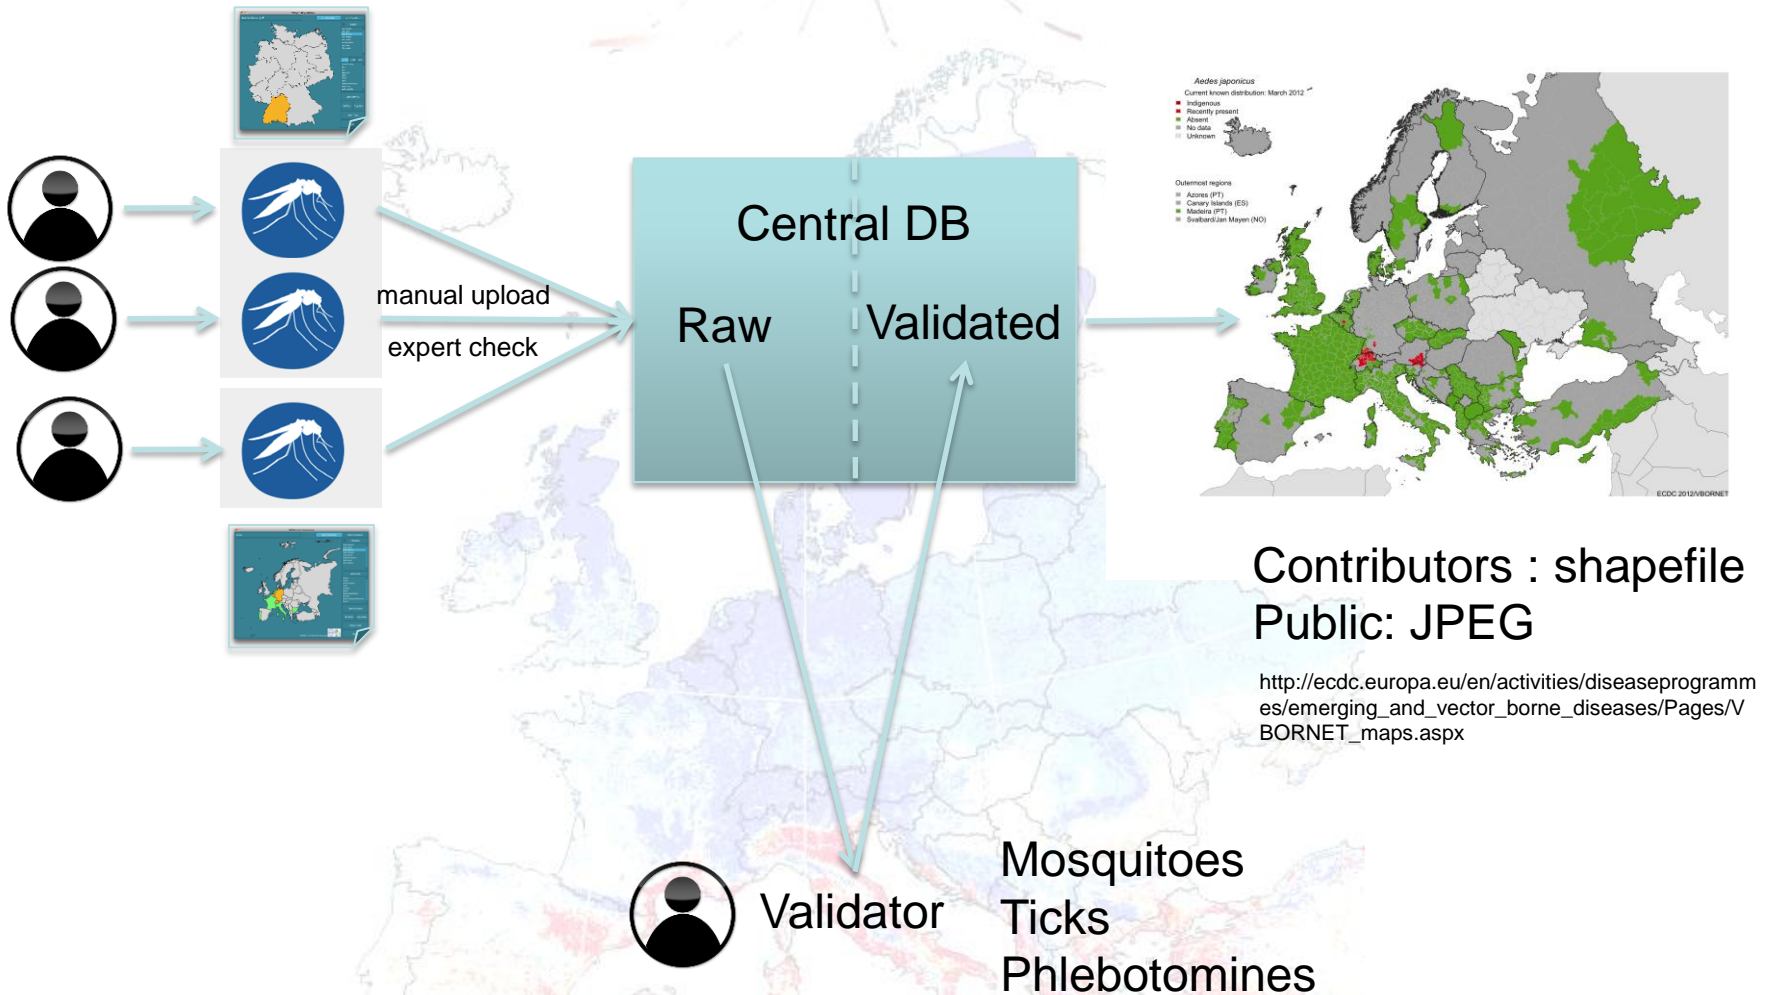

AGM Riga 2012

WP1 – Data collection tool

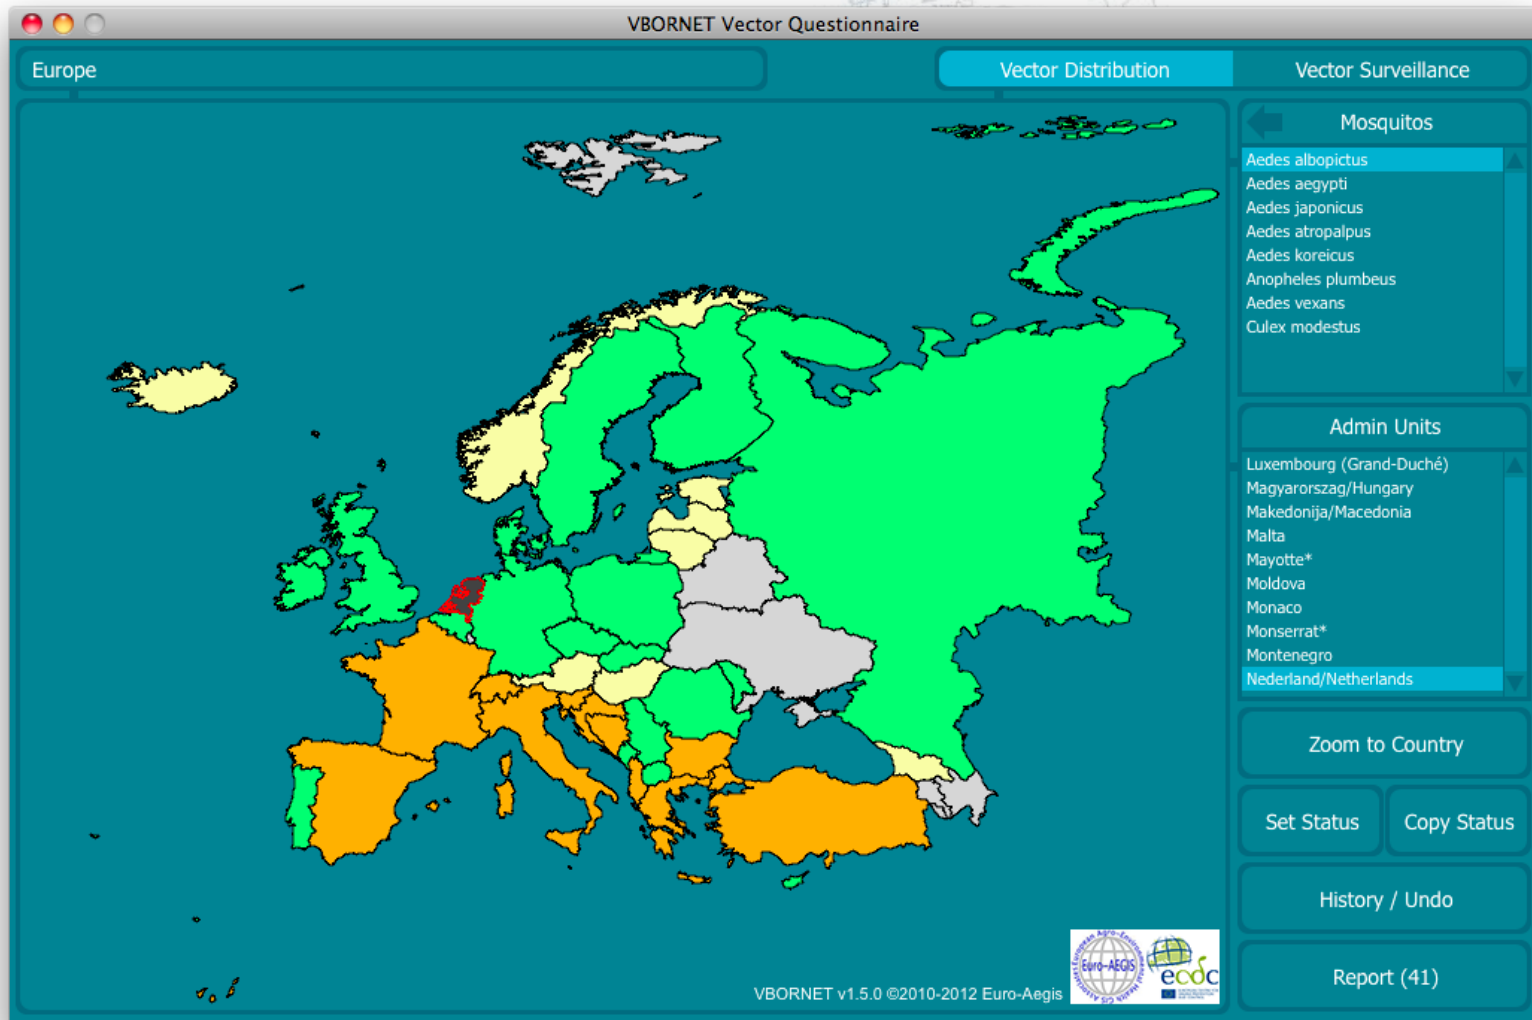

The screenshot shows a web browser window titled "VBORNET" with the address bar displaying "http://www.vbordnet.eu/index.php?p=1". The page content includes a navigation menu on the left with options like "Vector Questionnaire", "PH Questionnaire", "Newsletters", "Register", "Maps", and "AGM Presentations". The main content area features a "Download VBORNET Vector Questionnaire" section with an email registration form, download buttons for Windows (XP/Win7) and MacOS X (UB), and a PDF link for "VBORNET Vector Questionnaire — Getting Started". Below these are three screenshots of the application interface, each with a "Click to enlarge" link. The footer contains the copyright notice: "Copyright ©2011-2012 Euro-Aegis. All Rights Reserved."

Establishment of Web Map Server
 Current features:

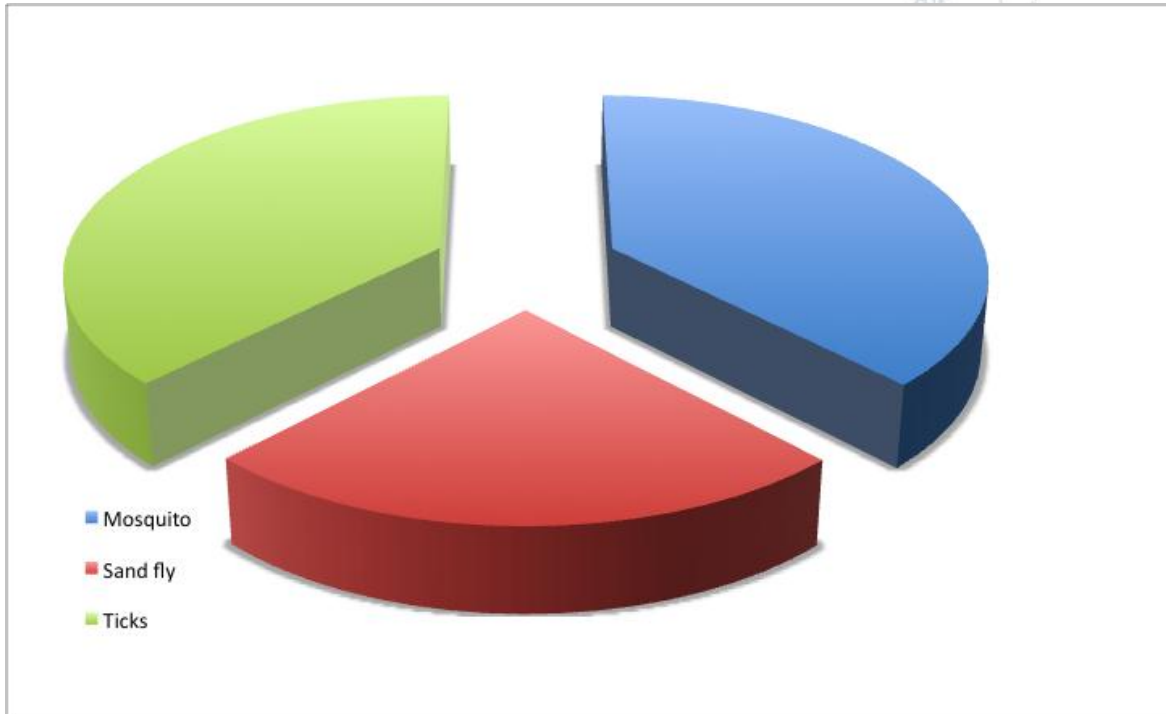

- Pan
- Zoom
- Show attributes
- Set visible/invisible layers

Some statistics

~600 downloads of user help file

Some more statistics...

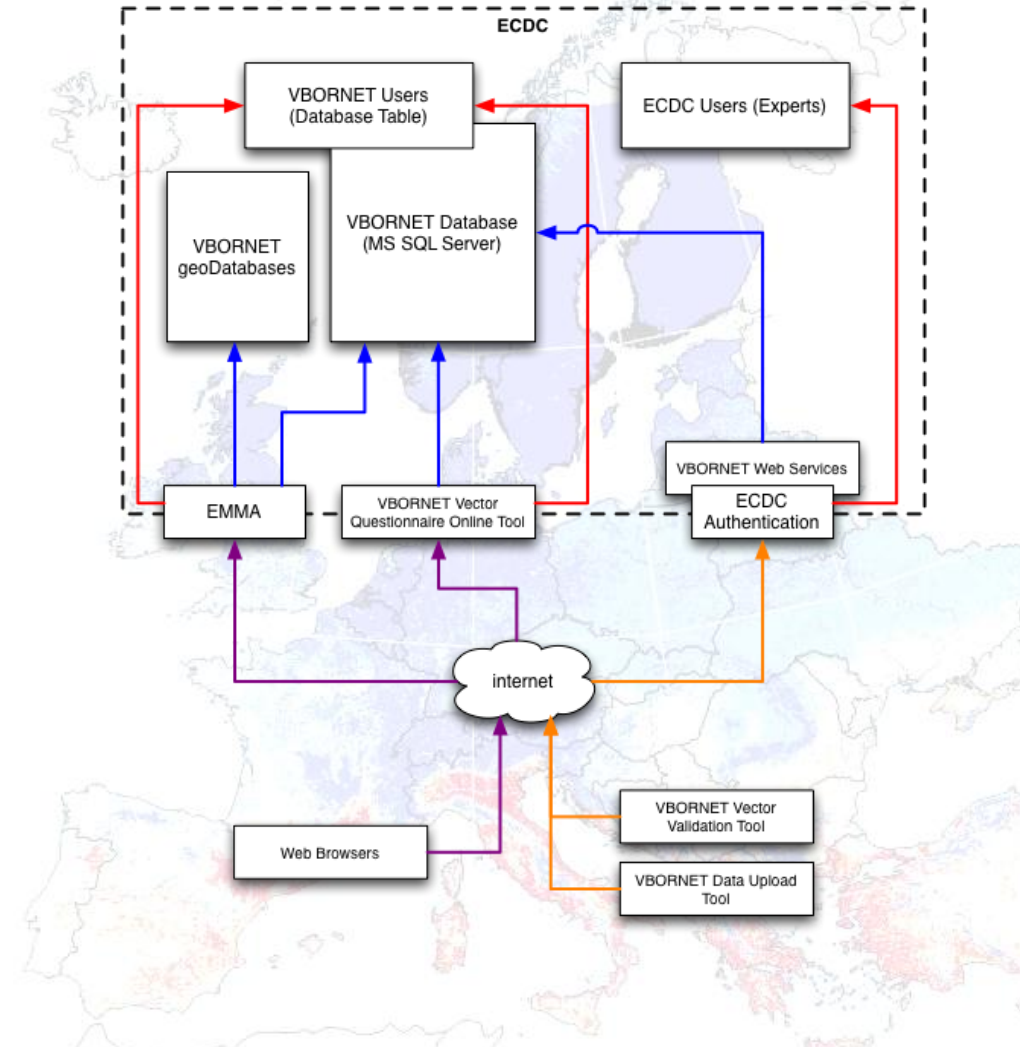

- 600 downloads
- 28 registered experts that have uploaded data
- 15898 admin units with uploaded data
- '89% of reports by 'validator'
- 16 experts indicated having point data for 16% of admin units

Need to go change?

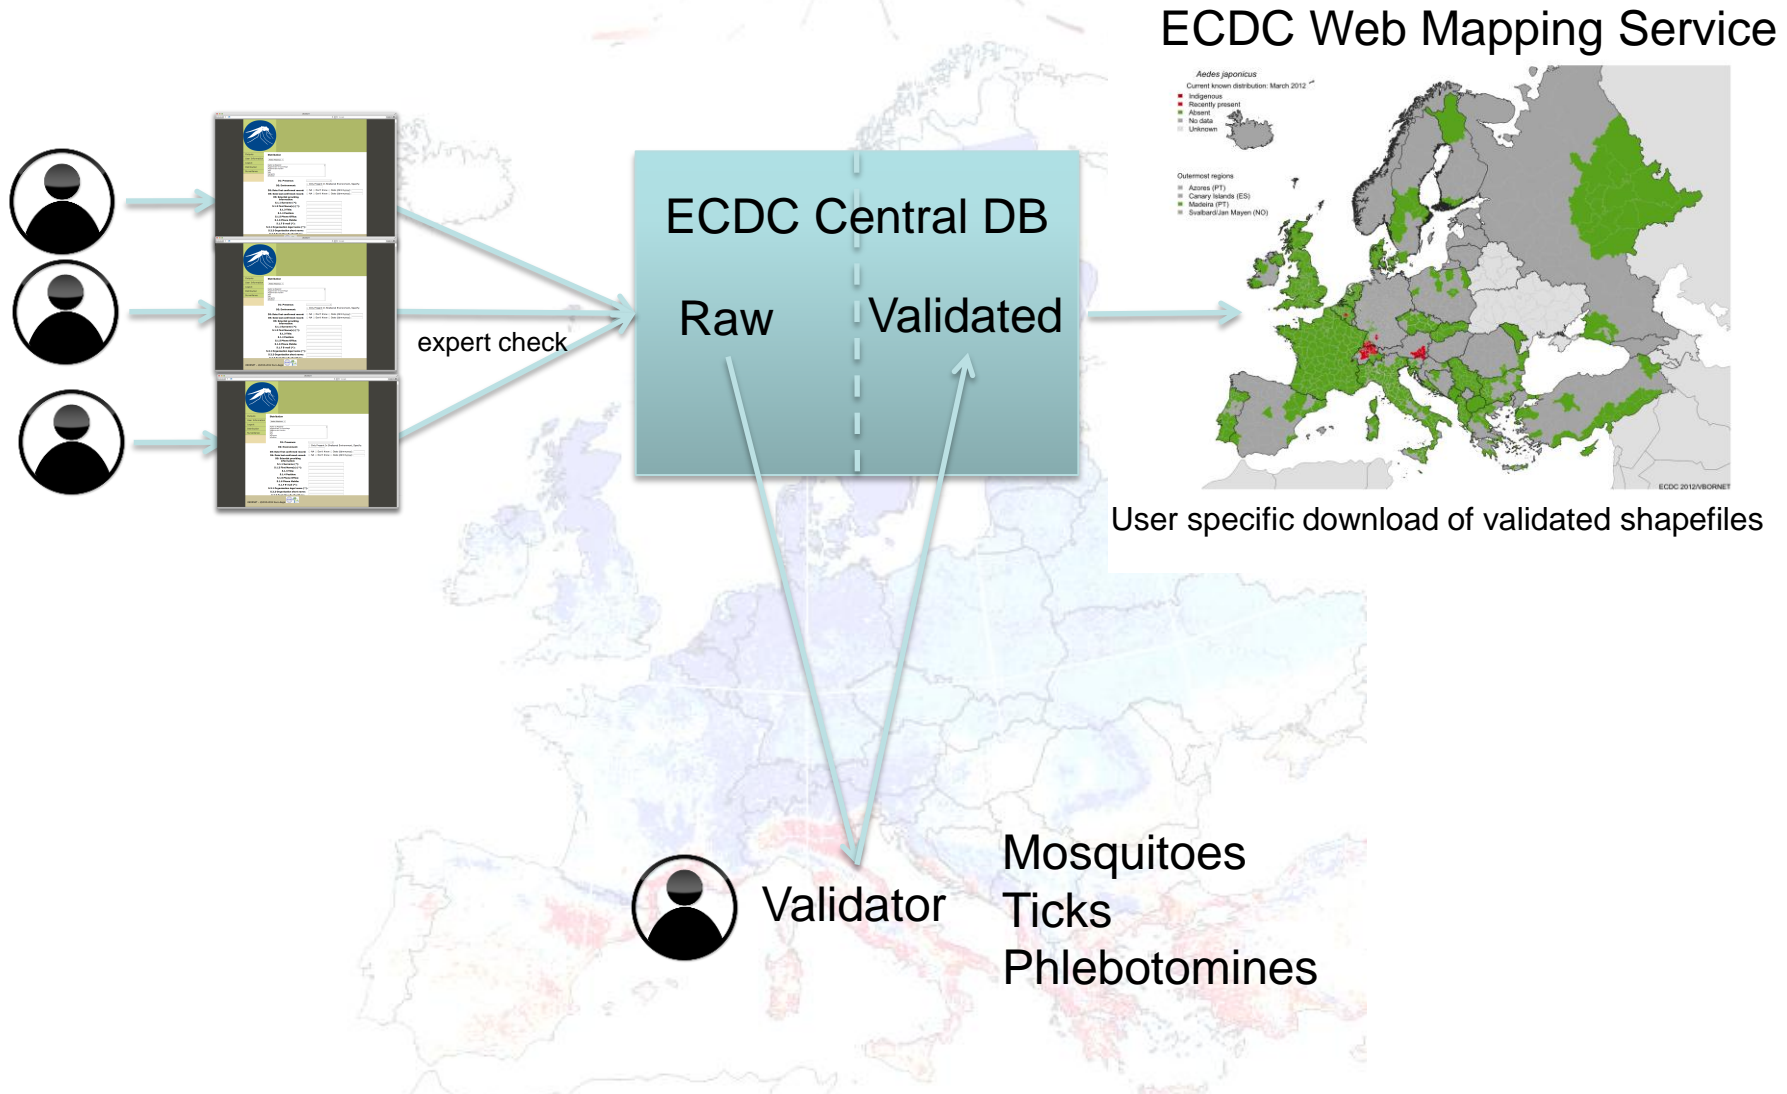

- Tool will be transferred to ECDC
- Managed and maintained by ICT/GIS
- Integration with existing ICT/GIS platform
- Experts included in ECDC directory
